RE: Review of MSDP Updates and Changes
DATE: March 2, 2015

This notice is a follow up to the February 26, 2015 memorandum sent to the MSDP community regarding the MSDP updates and changes that are effective immediately.

In order to maintain MSDP compliance and certification, MSDP Certified Vendors are expected to submit a letter to ABH stating that the one compliance change has been made to the form set and that other changes related to DSM 5/ICD 10 implementation are included in your MSDP certified product. There is no recertification fee due at this time for these updates and changes. Only a letter attesting to the fact that the appropriate edits have been made is required.

The MSDP Certified Vendor's letter attesting to the completion of appropriate edits needs to be received by ABH by May 1, 2015.

The Letter can be sent to:

ABH, Inc.
ATTN: MSDP
251 West Central Street, Suite 21
Natick, MA 01760

Please note that failure to make the changes authorized by the MSDP Leadership Team and/or failure to submit attestation that the mandated changes have been made may result in decertification of your product for MSDP purposes.
